

# The Age-Friendly Block-by-Block Walk *is a*

*I spy a  
grocery store*

**I spy a  
barber shop**

**Community  
"I Spy!"**

*I spy a  
cracked sidewalk*

During the **March 20-April 15 Age-Friendly Block-by-Block Walk**, volunteers will identify neighborhood assets and issues needing attention all through the lens of DC residents 60 and older.

The data will help the city improve policy and practice to make daily life better for everyone.

**Learn more and register to volunteer by going to <http://agefriendly.dc.gov/page/get-involved>.**
