

# Age-Friendly Block-by-Block Walk

## March 20 - April 15

The **Age-Friendly Block-by-Block Walk** is one way Age-Friendly DC seeks to make the District a better place to live for those who are 50 and older.

Walk participants will identify neighborhood assets and issues needing attention all through the lens of older DC residents. *Why? Because what's good for older residents can be good for those with different mobility needs - wheelchair, tricycle, walker or stroller.*

**Volunteers of all ages are needed to participate.** Teams will be organized to walk neighborhoods divided by Single Member District (SMD) areas. But you don't need to be a resident of a particular SMD to volunteer. You just need to want to help.

**Learn more and register to volunteer by going to**
