★ ★ ★

Upcoming Meetings

Tuesday, November 14, 1-3pm, Final 2018-2023 Age-Friendly DC Task Force Meeting

Attend this meeting to see the presentation of the final Age-Friendly DC progress report to the World Health Organization and its USA agent, AARP.

Age-Friendly DC Listening Sessions Now through August

Listening Sessions are expected to provide the perspective of adults living in DC regarding Age-Friendly changes since 2018 that they have observed. Each participant is asked to complete the Age-Friendly DC pre-survey before attending a two-hour discussion. Sessions have been held and have provided information/data already. Analysis will continue to reveal differences and similar observations about changes that have been implemented across DC in the last five years. If you are reading this, you too have friends and acquaintances, living in the District, who can help us learn from their opinions. Spread the word about this opportunity.

Please join a session or help us pull together more groups to meet before the end of August, preferably in July. The upcoming meetings listed below have links so you can join. The link to join the meeting is associated with each Host in the list below.
